Session: 2016-2017| Score: 10.00

TRAINING & PROJECTS

Web Development | Internshala
15th June 2021-27th July 2021
- It is an 8-week training in which we have learnt about HTML, CSS, SQL and Php. During the training I had done 4 assignments and one project where I had built an e-commerce website.

Project| Audio and Video player
July 2020-Dec 2020
- Prepared an audio and video play in net beans with the help of GUI swing and JFx .Implemented the program and made a perfect running of the project.

Project | Manhole Victim Alert System
February 2021-May 2021
- It will send alert whenever someone falls into the manhole or any breakage in manhole lid .so that the victim could be helped at the earliest possible time. We have used sensors like ultrasonic, gas and tilt, wifi module, arduino.
